

August 2010

Dear Friend,

Thanks for your prayers during the time Bob and I were in [Cartagena, Colombia](#). We had a glorious time with our pastors, leaders and all the faithful members of our churches. We met daily to pray and seek the Lord; there were many important decisions that had to be made. One of our main objectives was to encourage plural leadership in our churches and continue planting new missionary churches. A new missionary family has arrived in Medellin to help with the goal of 60 new churches to be planted by 2015. Margaret and I are very excited to be a part of this new thrust towards evangelism and planting new churches in Colombia.

AFRICA HERE SHE COMES! Most of you received Heidi's July Newsletter telling about her mission's trip to Mozambique, Africa. She will be working with a lot of children and their mothers. This has been her dream; to return to Africa.

She leaves on October 4th but she needs \$5,000 by **September 4** to pay for her tickets, her three months tuition, and outreach.

That's only about thirty days away but our God is a BIG God and able to supply above and beyond what we need.

If you would like to help Heidi with her support please make your checks payable to Margaret Heredia or if you need an income tax deductible receipt, make it out to Walnut Grove AofG and mail your gift to Margaret Heredia P.O. Box 57, Lindsay, CA 93247.

Oaxaca Conference 2010

Tony leaves for Oaxaca on August 23. Our Local Team will be conducting our first MIYH Youth Conference in Tlaxiaco which is an hour and a half from San Pedro where our main church is located. Several of the local churches in the area have been invited and we expect a good group. Genaro, our

youth pastor is organizing the event along with Pastor Tibercio. They have reserved a meeting hall and everyone is excited. Pray for God's anointing!

Fourth Annual MIYH Pastors Conference

The following weekend we'll be meeting with our pastors, their wives and leaders at our main church in San Pedro. They all look forward to this special time of teaching and preaching of His Word. The women will be preparing a great meal for everyone. ☺

E-mail addresses: Starting in January 2011 we'll be sending our newsletter almost completely by email. This will help save us money and you'll be able to get our news faster. Of course that means we'll need you to send us your email address.

Also, we're making plans to delete our home phone and only use our two cell phones. These are just two ways to help us save money.

Thank you for your continued support and your prayers. We appreciate you and we ask God to supply all your needs.

Your missionaries,

Bro. Tony and Margaret Heredia
