Dear Friend,

This year is about over and we're looking ahead to all the exciting things that await us in 2010. God is calling all His children to be *faithful* and to serve Him with a joyful heart. Margaret and I are thankful for your love and faithfulness.

On November 6th we received news that Pastor Ramon Soqui's oldest daughter, Miriam, went home to be with the Lord. She had been treated for breast cancer but the cancer now had spread to all her body. She was a faithful servant of the Lord and a prayer warrior. She leaves behind her husband Samuel and three teenage children. Pray for comfort in these difficult times. In the last few months we've lost three wonderful friends. The trip to Sonora had to be postponed till after Thanksgiving.

On November 21st Tony attended a wonderful men's conference and was the last guest speaker of the day. God provided just the right words to bless the many men who attended. On Thanksgiving Day he left for Sonora and the border crossing went very well. We'll give you a report and pictures in January.

We leave on December 26th for Baja to bless our people there with our Christmas Brown Bags Ministries. We plan to visit at least eight areas including churches, labor camps and orphanages. Many of you have sacrificed to make this outreach a rewarding and joyful *expression of love from the Father*.

Heidi is enjoying her new full-time position as a teacher's assistant at a day care center. First time she has had health insurance. She will be taking a college course in January pertaining to her job as well as seminars throughout the year. She still keeps busy with many activities involving sex slave trafficking. Keep her in your prayers as she waits upon the Lord for His guidance. She gets to come home for Christmas. Heidi loves to take pictures so in January we'll have pictures of the family.

Sabrina will begin a part-time job with the county in January giving her more time to take care of Aden. She is also involved in barrel racing with her horse Shorty. Aden is doing well and we just love being grandparents!

Colombia: Tony hopes to travel to Colombia in 2010 and help where needed in the planting of new churches in the Medellin area. This area called the Andean Region is notorious for producing 50% of the world's supply of cocaine. This region only has 1% population of Christians so there's a great need for full time missionaries to go to this needy part of Colombia and reach the lost for Christ. If you or someone you know would be interested in short term ministry please let us know.

Have a wonderful Christmas and may His hand of blessing be upon you. Christ is the reason for the season.

Your missionaries,

Bro Tony and Margaret Heredia
